## General council statements 2020

For the purpose of establishing a common supervisory culture, the Authority shall develop and maintain an up-to-date Union supervisory handbook on the supervision of financial institutions in the Union, taking duly into account nature, scale and complexity of risks, business practices, business models and size of financial institutions and markets. In the event of a tie, the Chair of the Selection Committee shall have a casting vote. In January 1997, Latvian Prime Minister Skele resigned for a short time because the Parliament did not want to accept his proposed Minister of Finance due to concerns about corruption and conflict of interest.

Neither Member States, the Union institutions or bodies, nor any other public or private body shall seek to influence the members of the Executive Board in the performance of their tasks.

## Archives

The Executive Board, in agreement with the Commission, shall adopt the necessary implementing measures, in accordance with the arrangements provided for in Article 110 of the Staff Regulations. Two other commenters similarly recommended that the quarterly evaluation be less rigorous than the annual evaluation. Protect the safety and soundness of banks.

## **A best**

An institution may implement safeguards designed to provide the same level of protection to all customer information, provided that the level is appropriate for the most sensitive classes of information.

## **Dodd**

We need targeted sectoral strategies, bringing together unions and business to agree the support to protect decent jobs in our hardest hit sectors, including manufacturing, steel, retail, the creative industries, the news industry and transport, including rail, maritime and aviation. He is frequently accused of being the official responsible for suppressing key information concerning alleged ROC kingpin Sergei Mikhailov during his trial by the Swiss authorities.

## **General council statements 2020**

Points out that professional secrecy cannot be used for the purposes of protecting or covering up illegal practices or for violating the spirit of the law; urges that attorney-client privilege should not impede adequate STRs or the reporting of other potentially illegal activities, without prejudice to the rights guaranteed by the Charter of Fundamental Rights of the European Union and the general principles of criminal law; 381. DISCUSSION OF AMENDMENTS IMPLEMENTING SECTION 404 A. ECA, Rapid case review, VAT reimbursement in Cohesion — an error-prone and sub-optimal use of EU funds, 29 November 2018.

## **Archives**

For the interpretation, practical application or implementation of the provisions of the legislative acts referred to in Article 1 2 , or associated delegated and implementing acts, guidelines and recommendations adopted under those legislative acts, any natural or legal person, including competent authorities and Union institutions, may submit a question to the Authority in any official language of the Union.
