## Table of contents for Willis Carto and the American far right

Willis Carto has been the shadowy figure behind the antisemitic American right since the immediate post-WWII period. But then again there's no other full-length treatment of Carto.

## FBI Releases File on Willis Carto, Neo

And what I assume is the author's attempt to be unbiased, it has a vaguely pro-Carto tone. Too many conflicting conspiracy theories, too many different minorities to blame and up until the publication of this book, enough Americans were comfortable in the way things are. Michael provides an account of the various publishing and organizational ventures in which Carto has been involved, including the Institute for Historical Review, The Spotlight, Youth for Wallace, the Populist Party, American Free Press, and the political career of David Duke.

It had to have been difficult for a highly respected academician to take on the biography of such a complex subject, even with the cooperation of Carto, himself, but Michael comes through at every turn. Following his remarks, responded to audience members' questions. Any revenue realized from this program goes into a general account to help fund C-SPAN operations.

**Willis Carto and the American Far Right by George Michael (Hardback, 2008) for sale online**

Best known as the founder of the infamous Liberty Lobby, he has shaped the far right's position on such issues as immigration, globalization, multiculturalism, Holocaust denial, and the conflict in the Middle East. Throughout his long political career, Carto has sought to unite the various movements that make up the far right. Michael offers them an opportunity to expand their education.
