Fact

In the event, Germany was reunited and there was no neutralisation. They had even more reason to support Thatcherism.

Margaret Thatcher biographer on what gets right and wrong about the U.K.'s first female prime minister

However, when the unions who had been involved in a pay dispute for 2 years further criticised reforms at their conference, Joseph persuaded her to go ahead immediately to avoid appearing to take their side. It has ditched unilateralism, hostility to the European Community and zeal for nationalisation.

10 Reasons why Margaret Thatcher is Britain's most hated politician

The issue supposedly caused a major row between the queen and the PM, coming to a head at a meeting of the Commonwealth leaders in Nassau, the Bahamas, that the queen presided over in October 1985. Success came with the thaw in superpower relations, the consolidation of Thatcherism at home and the march of neo-liberal ideas internationally. I have consistently voted to retain the death penalty for the reasons which I have given.

Margaret Thatcher biographer on what gets right and wrong about the U.K.'s first female prime minister

I had incurred the maximum of political odium for the minimum of political benefit. In response to political and social turmoil of the 1970s the world of the 1980s and beyond became a very different place, but at what cost? In 1979, the Conservative Party won the General Election and Thatcher became PM, taking over from James Callaghan.
