New York: Palgrave Macmillan, 2014. Research findings about the role of the press in the reproduction of racism are consistently ignored and denied, and very seldom fairly or self-critically reported. By Alexandre Emboaba Da Costa.

**Racism and Discourse in Spain and Latin America**

Reviewed by Sara McElmurry, Northeastern Illinois University In an age when being politically correct is politically correct, Teun A. People in the city administration and in schools saw Silvany as tediously insistent on blackness; they thought that what she did concerned only black people and saw the ethno-educational project as just her pet project 151.
