## Animal Farm Quotes by George Orwell

All in I've read Animal Farm 3 times and each time I read it I get something more out of it. Snowball and Napoleon were by far the most active in the debates. The animals carried on as best they could with the rebuilding of the windmill, well knowing that the outside world was watching them and that the envious human beings would rejoice and triumph if the mill were not finished on time.

## Animal Farm

It was impossible now to venture out of the shelter of the buildings. The solution, as I see it, is to work harder.

## Animal Farm: Key Facts

I highly recommend Animal Farm to any reader above the age of eleven who enjoys a captivating story. Every human being held it as an article of faith that the farm would go bankrupt sooner or later, and, above all; that the windmill would be a failure. Here, in the evenings, they studied blacksmithing, carpentering and other necessary arts from books which they had brought out of the farmhouse.

## Dear friend â€“ a letter about Animal Farm

It happened that there was in the yard a pile of timber which had been stacked there ten years earlier when a beech spinney was cleared. When the hens heard this they raised a terrible outcry.

## Farm: A Fairy Why do you think Orwell chose to use a fable in his condemnation of Soviet communism and totalitarianism? Essay Example

And so within five minutes of their invasion they were in ignominious retreat by the same way as they had come, with a flock of geese hissing after them and pecking at their calves all the way. In these kinds of works, Orwell distinctly references the disarray and traumatic conditions of Europe following the Second World War. Soon there were five buckets of frothing creamy milk at which many of the animals looked with considerable interest.

## **Animal Farm (A Fairy Story)**

Napoleon then led them back to the store-shed and served out a double ration of corn to everybody, with two biscuits for each dog. Napoleon was by this time on slightly better terms with the other farmers than before. By writing a fable, he is able to protect himself from the criticism or denigration he might receive from those that believe they are being landered.

### **Animal Farm: A Fairy Story by George Orwell**

The cows declared unanimously that Snowball crept into their stall and milked them in their sleep. The book seems like an unfinished fairy tale: one where good does not triumph over evil in the end.

### **Animal Farm**

His knees were bleeding, he had lost a shoe and split his hoof, and a dozen pellets had lodged themselves in his hind leg. It was a dream of the earth as it will be when Man has vanished.
