## List of Statutory Instruments of the United Kingdom, 1993

The Secretary of State may draw any advice given by the Commission under subsection 1 a to the attention of health service bodies. This section enables hospitals providing high security psychiatric services to be run by NHS trusts.

### View

It is not intended that the Commission will charge individual health service bodies directly for its work from the outset. In section 97, subsection 2 , in subsection 6 , àorå after paragraph b , and subsection 7.

### SL/99/R5

Proceedings in relation to such an offence would be conducted in the magistrateâs court, and the maximum penalty on conviction would be a fine not exceeding level 3 on the standard scale currently Â£1000.

## List of Statutory Instruments of the United Kingdom, 1993

The provisions for delegation and joint exercise of functions in the new section 16B will be similar to those made for Health Authorities in section 16 of the NHS Act 1977. The Committee draws the attention of the Parliament to the above instrument on the grounds of defective drafting acknowledged by the Executive. ## **List of Statutory Instruments of the United Kingdom, 1993**

Section 60 with Schedule 3 makes provision for Her Majesty to make Orders in Council regarding the regulation of health care professions. The Committee draws the attention of the Parliament to the above Regulations on the ground that they make an unexpectedly narrow use of the enabling power. The secondary legislation made by the Assembly pursuant to these new functions will generally be subject to the Assembly's own secondary legislation scrutiny procedures, rather than the Westminster procedures set out in section 62 of the Act.
