Things to do on the Royal Mile

Photography of the interior is not permitted without a photography permit which is £2. Located, just off the Royal Mile, it is conveniently located and currently offers two guided tours per day. If you are looking for something really Scottish themed, you might consider the.

Top 20 Tourist Attractions in Scotland

The museum is very interactive with talking holograms, posted live museum guides, things to touch, videos, themed rooms, and interactive exhibits. Then finally you take a look around a giant whisky collection, the largest collection of its type in the world! Edinburgh is in Scotland, which is the northern part of the United Kingdom.

National Museum of Scotland

~ Jessica Hi Maria, Yes, I think most people think of London and the movie sites in England but a lot of the actual books were written in Edinburgh! Could you please provide suggestions and what options do I have? Legend has it that Bobby was a Skye Terrier who belonged to a night watchman in Edinburgh named John Gray. If you liked our round up of the best things to do in Edinburgh, Scotland then make sure to check out these other helpful resources. Our last tip is to drive slowly, not because of the traffic but to admire the beautiful scenery and discover incredible places like this one below.

Top 20 Tourist Attractions in Scotland

On the other side there are a green garden and the Dornoch Cathedral, the perfect combination for a Scottish charming town. Best ways to get to Edinburgh? Guides were in most rooms and were very willing to provide information about the furnishings, and the 18th century bed and its bed coverings are definitely a highlight of the collection.

National Museums Scotland

Admission is upon donation and you can purchase a photography permit for 2 pounds at the information desk if you want to take photos inside, which I recommend. Have you visited Edinburgh Scotland? Various theories have been posited, including that they were the work of a local

blacksmith named George Paterson, used as a smugglers lair, a hideout for Covenanters those who opposed the Divine Right of the Monarch in the 17th century, or a secret drinking den for the local gentry.
