## Full text of

Makes 6 servings of about 12 clams each.

## Big Game & Waterfowl Hunting

Although the best way to cash in on this early-spring fishery is with a boat, you can catch perch from the bank. We allow hunting of duck, goose, coot, and snipe on designated areas of the refuge subject to the following conditions: i We allow boats, except air thrust boats, after September 20 within the designated refuge hunting areas, for the purposes of hunting. Landowners especially appreciate the non-native fescue for its tough, aggressive qualities that ensure fast growth, reduced soil erosion, and the ability to withstand heavy grazing.

## Home

If there are fish in the general area, there's a good chance plenty more will be nearby.

## Capt. Steve's Bait & Tackle: FAQs

Mobility-impaired hunters should consult with the refuge manager for allowed conveyances. Report provided by Tom Stehn, U. We allow hunting for white-tailed deer, feral hog, and turkey on designated areas of the refuge subject to the following conditions: i The conditions set forth at paragraphs c 1 i through iv , vi through ix , and xi through xvii and c 2 v of this section apply.

## Birdwatching Assateague at Chincoteague N.W.R.

Fish and Wildlife Service Open to public Toms Cove Hook closed March 15 - September 1 U. For more information call 276 388-3422. The SEAFWA directors endorsed the 1980 baseline year for several reasons.
