That is, Indians were different from Europeans because they were non-Christians; they were heathens. When Europeans first came to the Americas, they of course encountered people who were very different from them. Thomas Jefferson wrote rather extensively on Indians in his Notes on the State of Virginia.

. They saw that the marriage of Indians and Europeans would in fact be a solution to the Indian problem. An ever growing site of non-fiction, flotsam, fiction, memoir, autobiography, literature, history, ethnography, and book reviews about Appalachia, Appalachian Culture, and how to keep it alive!!! The Dawes era is an enormous tragedy for the Cherokees, because it is the period in which their landholdings were decimated.

The missionaries who feared the state fled but Worcester refused this illegal act by the state of Georgia.

**“Mixed Blood” Indians: Racial Reconstruction in the Early South, Journal of Interdisciplinary History**

For the most part the Lumbee and related families claimed to be solely of Indian-White mixture, but would occasionally claim Portuguese ancestry to justify non-Indian and non-White characteristics such as bushy hair, thick lips, etc. And these people have to be brought to heel.

**“Mixed Blood” Indians: Racial Reconstruction in the Early South, Journal of Interdisciplinary History**

First I would like to say I enjoyed reading your post of my people, I am , a Lumbee Indian of Robeson County. Journal of American History, December, 1981, review of Nations Remembered, p.
