Sheikh Zubair enriched the Sudan audio library with multiple Quranic recordings aired in Sudanese radio channels, as well as recording the holy Quran and distributing it in various cities of the republic.

AlFateh Muhammad Zubair

I could only find 69 Surahs including Juz Amma. Sheikh Zubair was able to memorize the whole Quran at an early age, relying on the traditional method of memorization, which was widespread in Sudan, by writing on the board and overtly revising the memorized parts. I'm searching for the complete Quran recitation of Khalifa Al Tunaiji with the child.

So can anyone please advise whether it is available with all Suras or not and if it is available, then provide any link. . This Khalwa insures the graduation of hundreds of the Quran memorizers.

AlFateh Muhammad Zubair

His father was a supervisor in a Quranic sanctum, Founded at the beginning of the thirties for the memorization of the Quran, as it is well known in the whole country. It is based on which differentiates Sudan from other countries. Yet, this prosperity started to fade year after year and the Republic of the Sudan began losing its place as a destination for Islamic sciences studies.

May Allah give you the best of both worlds. The Republic of the Sudan was known earlier for being an important destination for the Islamic science students, especially in the late nineteenth century. Also, the number of Quran readers decreased drastically to a limited number.
