Ah, Thomas, if only you could have been there for the Sonny Bono Term Extension debates.

Theft: A History of Music — Free Comic

Through its programs, NSF helps research and education institutions—including those serving underrepresented minorities, rural areas, and Native American reservations—make and enhance their connections to the Internet. Most of the content is available under some sort of Creative Commons license and licensing information is clearly provided at the bottom of each piece of media's individual page. Settled expectations can be disrupted, and thus need to be defended.

Victor Hugo: Guardian of the Public Domain

Users can choose to release their works into the public domain or select one of two Creative Commons licenses, so it is important to review the specific licensing and attribution information for each sound you plan to use. Note: Even if content is covered by a Creative Commons license, you must always make sure that your use does not violate that license and that you properly attribute the content.

Video Content

How will our constitutional tradition deal with the challenges posed by new technologies? And I was struck, as if for the first time, by what he said about the need to create a system that respected not just the rights of authors. Support for the measure soon fizzled out. Creation of NSFNET was an intellectual leap.

Public Domain Books

He set out across Belgium at 13 to make his way painting and ended up in Paris in 1782.

Celebrating 100 Years of History

The legal change he thought would do that? Please note that our listings here focus on cultural and government collections.

Celebrating 100 Years of History

However, as of 1 January 2019, works from 1923 became freely accessible and reusable by anyone, anywhere.

The Public Domain is Alive and Well (for Now)

In my case, the article recounts the lessons I learned from being part of the Hargreaves Review of Intellectual Property in the UK. Telephone numbers or other contact information may be out of date; please see current contact information at.
