## Antiquarian Notes, Historical, Genealogical and Social on Inverness shire

And never had I heard such agonizing exclamations, as broke from the lips of that dying man, as he called with terrible earnestness, on Christ to save him, and AUTOBIOGRAPHY OP JOHN B. My boarding-house account had assumed an unpleasant aspect, and, more than once, had I received threatening notices to quit.

We do know the stone fort lay astride the Wall, but the Wall ditch was infilled and re-cut before it was constructed. The ruins of the castle of Moyness are now but a heap of stones.

## Bridgnorth Cliff Railway

Our readers know very well with what reservations this doctrine must be taken—reservations which in the case of churches or other buildings actually applied to appropriate modern uses, are very considerable. Newsboys, , honey-sellers, musicians with their bagpipes and guitars, and at night the private watchmen who lustily cry out the time and the state of the weather, make this vicinity a second Naples for din and good-natured bustle. Gough, and the Pre'sident and Vice-President of the League, the Hon.
