Country Child

Poverty is considered to be the prime factor leading to the involvement of children in the work-force to supplement the low household income in the country. Life survival and development Every child has the right to be alive. Contact with parents across countries If a child lives in a different country than their parents, governments must let the child and parents travel so that they can stay in contact and be together.

Minor Travel Consent Form

Despite centuries of efforts against forcing children to enter the workforce, child labor remains a major problem internationally. This new Center aims to improve life opportunities for youth by advancing policy and practice improvements that ensure the well-being of youth, families and communities.

ICCTC Home

Country Childrens Center, which originated in 1967, provides quality day care, Monday through Friday, on a year round basis for children of working families in Northern Westchester and surrounding areas.

Country Childrens Center

Best interests of the child When adults make decisions, they should think about how their decisions will affect children.
