A central conundrum of Arab political economy is how to reform a system that is deeply resistant to the solutions it desperately needs. OPEC was founded in 1960 with 5 original members, , Iran, Kuwait, Iraq and Venezuela. Thus, I believe that what is seen in the political arena in the Middle East nowadays- is not stagnation; it could be rather called a political backwardness.

## Why you can't explain the Iraq War without mentioning oil

We will save the information entered above in our website.

## Impacts of Oil Shocks on Economic Meltdown

It also requires efforts to enhance youth skills development. However, Abu Dhabi is home to most of the proven oil reserves in UAE territory and, thus, it has an outsized role in establishing the federation's oil policy. However, greater cooperation is needed between the two organizations — together.

## 10 Reasons To Relocate To The Middle East

Earning College Credit Did you know... We have over 220 college courses that prepare you to earn credit by exam that is accepted by over 1,500 colleges and universities.

## Arab Political Economy: Pathways for Equitable Growth

Leaders spoke of the need for reform, but their states continued to dominate economies and determine the winners, the losers, and their shares. The fact is that, if the oil that Iraq has were our concern, I mean we could probably cut a deal with Saddam tomorrow in relation to the oil. His vision of a unified Arab world under Egyptian leadership combined the political appeal of pan-Arabism and anti-imperialism under an authoritarian

socialist political model.
