Mark has practiced in a diverse range of environments, from the Mediterranean coastal climate of Sydney to the wet tropics of Darwin in Northern Australia.

The Treatment of Modern Western Medical Diseases with Chinese Medicine: Bob Flaws, Philippe Sionneau: 9781891845574: skynet2550.us.to: Books

The use of natural products as medicines must, of course, have presented a tremendous challenge to early humans. Since the end of the 1980s, chemists and pharmacologists at the Chinese Academy of Medical Sciences have been closely cooperating in studying the structure and activity relationships of bifendate and its analogs. Service is not limited to patients and helps the caretaker as well.
