At each major stop, we learn about an unexplained phenomenon, horror story or myth that took place in that spot.

I've seen London, I've seen France ... or ... travel tales that aren't

. For me the best parts of this book were Bibeau's travels to eastern Europe and his brief surveys of vampire movies Bibeau's writing is at its best when he's in travel writer mode or discussing his personal experience.

As this is not a scholarly study, the question then arises as to why we need another popular history of Halloween.

The Dead Travel Fast: Stalking Vampires from Nosferatu to Count Chocula by Eric Nuzum

Filesize: 36.610 MB

You can really tell through his writing that Nuzum put so much heart and soul into making this novel and all of his research, and I appreciate him for putting in all of this work. Includes some background info on the book Dracula and its supposed inspiration, Vlad Tepes.

Sundays with Vlad: From Pennsylvania to Transylvania, One Man's Quest to Live in the World of the Undead by Paul Bibeau

While there are some variations in the standard account, they all share two core features. I am placing a blanket recommendation for this book.
