**Live Leicester snow updates as police issue travel warnings**

There does not seem to be an index of ships or passengers.

**Leicestershire, England**

The Petty Sessions indexes cover smaller areas but still include parishes without their own poor law docs. Found in a salvage yard by Angela Coles.

**Kelly's Directories**

Also the city of Leicester has its own more detailed Street, Residents and Commercial directories. There does not seem to be an index of ships or passengers. With Maps, Diagrams And Illustrations - 1912 - 181 pages 150 Domesday Book, Or, The Great Survey Of England Of William The Conqueror A.

**An accurate map of the counties of Leicester and Rutland**

Search across descriptions of archives, including links to digital content, held at over 300 institutions across the UK. No index of ships or passengers. Visit my page for guidelines for posting to e-mail lists, a set of commonly used Internet abbreviations, and how to frame a query.

**Kelly's Directories Available Online**

It also gave his parents' names, whether he was married or single and any children's names and ages at time of naturalisation. Supplied on CD Kelly's Directory of Leicestershire and Rutland. Includes the certificates of removals for those arriving in Philadelphia.
