Scholastic Guided Reading Level Chart

I've long been a fan of George and Martha - two hippos who happen to be best friends. Katie is never prepared for the switch, and each books features one funny adventure after another. They also feel like readers when you give them books.

Heinemann Guided Readers

All children should read or hear Catwings

before they grow up. Great for both young advanced readers and older, struggling readers.

Guided Reading with Non

This is a good series for kids to get into.

I Can Read Levels & Guided Reading Levels

Great for fans of Cam Jansen, and a good choice for both young advanced readers and older, struggling readers. But I can imagine that fans of the TV show would enjoy these companion books as well as the science facts which are included throughout. Carefully-graded levels from Beginner to Upper-intermediate so your students get the right reading material for their ability.

Guided Reading

Letter Tracing Another great activity to do that practices letters and sounds is a tracing alphabet book. Young animal lovers will enjoy reading

about school from a dog's perspective.

MACMILLAN READERS ELEMENTARY LEVEL THE LOST WORLD

A good choice for older, struggling readers. If you're sensitive to that sort of thing, I'd skip it. And frankly, I couldn't make myself read an entire book.

Sherlock Holmes

I have seen the benefit in my own home with my non-reader who is an ELL. Please read one yourself before filling your shelves with the 36-book series.
