T.S. Eliot: Poems Summary

Verse stands in constant need of a cross. In these essays he effects a new historical perspective on the of English poetry, putting at the top Donne and other of the 17th century and lowering poets of the 18th and 19th centuries. Like my friend Wilhelm Röthou, ladies and gentlemen, and do likewise.

T. S. Eliot

It represented a break with the immediate past as radical as that of and in 1798.

Cleopatra and Her Problems: T.S. Eliot and the Fetishization of Shakespeare's Queen of the Nile on JSTOR

The journey has not been merely an agonized walk in the desert, though it is that, or merely the journey after the god has died and hope has been lost; it is also the journey to the Perilous Chapel of the Grail story. It is merely an ordinary name such as might be borne by the friend one might see in a crowd in a great city.

T. S. Eliot

As he was often isolated, his love for literature developed. To her, the marriage brought no happiness. This can be seen as influential in his earlier poetry, much of which is concerned with fractured perceptions and mental illness.

T. S. Eliot

But the reference to Philomela is particularly important, for Philomela, it seems to me, is one of the major symbols of the poem. This case has been presented most forcefully in a study by : T.

10 Most Famous Poems by T. S. Eliot

The newspaper is connected to the soul of the city itself. This webpage has used a copy of the essay as published in The Tyro as its source, not the

version as printed in the book Rainey edited.
