## T. S. Eliot's Writing Style and Short Biography

The basic theme of the poem is to rise above oneself. Modern poetry is significant to everyday life because it dares us to break free from the safe strategies of a discreet mind, enabling us to honor the unknown, both in us and in the world. Eliot: the making of an American poet, 1888—1922.

## A Short Analysis of T. S. Eliot's 'The Metaphysical Poets'

Arnold, who died the year that Eliot was born, comes too close to fulfilling a role that Eliot would like to claim for his own. William Wordsworth had written mostly for his poetic beliefs and political situation. Painted Shadow: A Life of Vivienne Eliot.

## The Influence of T.S Eliot Through his Poetry

Clark discusses four poems about morning in the city, three by Eliot and one by Swift, and Eliot's letters to the Dial.

## T.S. Eliots use of Poetic techniques in The Lovesong of...

That distinction is the crux on which the remainder of his introductory lecture depends. Differences between Pound and Eliot, in particular the former's interest in translation versus the latter's in quotation, are suggested.

## Modern Era: T.S.Eliot Poetry

But the poet must guard against excessive academic knowledge and distill only the most essential bits of the past into a poem, thereby enlightening

readers. He is more mature than Laforgue.

#### **T.S. Eliots use of Poetic techniques in The Lovesong of...**

If, he says, poetry ultimately does little more than help others consider those very real features of day-to-day human existence that most of us spend most of our time evading, then, in his view, it has achieved some purpose, even if that purpose seems not to have any immediately assignable or recognizable social use. Citing authorities as varied and disparate as Aristotle, Samuel Taylor Coleridge, William Wordsworth, and his own contemporary, the psychological critic I.
