California State PTA

The scarcity of imported materials, together with a lack of skilled laborers, compelled the missionaries to employ simple and methods in the construction of mission structures.

missions

And this, it might be said, was as far as possible under the mission system. The California Missions Preservation Act is expected to be voted on soon.

5 Must

The first priority when beginning a settlement was the location and construction of the iglesia.

The Spanish Missions of Southern California

Following the annexation of California by the United States, the missions were returned to the Catholic Church but, by then, most were in ruin.

Description: Describes the beginning of the Spanish mission system in **California Missions: 50 Interesting** California, its expansion, and the effects of the missions on the native **Facts** peoples of that area.
