## Economic Significance, Survey of Applications, and Six Bonding Functions

The project starts in July and is spread over five years. Many of these lands have remained unutilized and converting them into productive use for biofuels will increase value added agriculture. Regional Chemistry Symposium, The University of the South Pacific, Suva, Fiji, 8-9, July, 2002, PP-3.

## Office of Research and Graduate Affairs: Emeritus Professors of the University

The first box holds these personal materials as well as alphabetically arranged correspondence from friends and acquaintances.

### Prof. Hugh S. Torrens

AMABILI 2003c Journal of Sound and Vibration Vol.

### Prof. Hugh S. Torrens

In or soon after 1905 a post office was built on the corner of St. The name was coined by Joshua Brough for buttons covered in a drab silk cloth mounted on moulds of wood, bone, or iron with a linen back.
