San Marco Convent: a Milestone of the Renaissance

While the component parts of the scene are minimal, Angelico's training as a manuscript illuminator is evident in this work.

Fra Angelico at San Marco: Hood, William: Amazon.sg: Books

They hold their hands out in adoration and gaze heavenwards, but none looks directly at the scene of coronation. It is a magnificent celebration of Angelico at the convent of S.

Paintings in the Museo nazionale di San Marco

Instead of portraying each of the saints separately in multiple flanking panels, he created a unified space on one panel for all of the figures. Around the fresco, on the border, are the busts of the Prophets and Sybils in ten hexagons; in the centre, above the Crucifixion the pelikan, symbol of the redemption. The Medici's reign over San Marco and Cosimo's patronage were not just expressions of the Dominican Observance, but a foothold for political development as well.

Les fresques de Fra Angelico au couvent San Marco

Jesus's right hand, as seen in many other religious works, blesses all who aim their prayers and attention towards him, members of the choir included; it signifies his authority.
