### Might a Peace Plan be part of the Unfinished Business of Reconciliation?

It was only the threat that a crisis over flags would spoil the international image of harmony at the 2013 G8 summit that forced Sinn Féin and the DUP to produce any formal commitment to implementing the policies outlined in A Shared Future. It is time to move on boys.

### The churches, the peace process and reconciliation

The silence of the Irish seems to have many possible sources. Human rights people see the strength of the discourse lying in its universalism: indeed, this very principle is relied upon to protect them against the reality or the perception of relativism, politicization or particularization.

### Reconciliation theology in Northern Ireland

As with more widely, reconciliation theology in Northern Ireland emphasises the concepts of truth, justice, forgiveness, and repentance. When a mandate is complete, peace has not necessarily been achieved.

### The Elusive Lure of Peace and Reconciliation in Northern Ireland < Literary Hub

Meanwhile, the majority of the NGO community choose to take a fault-neutral view of the past Cochrane and Dunn 2002. Yet those traveling with him from place to place reported that he would often point at streams from his car and remark about how much he wanted to stop and fish. The Jethro Centre provides a number of day and evening facilities and activities for a range of age groups and core funding supports its good relations work.

### John Hume Helped Bring Peace to Northern Ireland, but After His Death It Remains Deeply Divided

A theology of reconciliation is practically applied by reconciliation communities.
