## Introduction to the South Pacific

There are also airlines which service the region. The film was widely criticized for its use of color to indicate mood, with actors changing color as they began to sing.

## USP: An Introduction to Policing in the South Pacific Region

This is discussed in more detail below. Martin influenced several of her songs.

## USP: USP

Policing complements relative to size of population Many of the issues that have been the focus of concern in relation to policing in countries such as Australia and the UK either stem from the size of the police forces in those locations or have been researched, described and analysed in ways that are more relevant to sizeable police forces and complex organisational, management and disciplinary structures than to the types and sizes of police forces that are found in the countries of the USP region. Hammerstein repeatedly rewrote the Act II backstage scene where Emile, Nellie and Cable confront the question of the Americans' racism. Nellie, promising to think about their relationship, returns to the hospital.
