Free Spirits

It was a profitable business that many powerful people had become dependent upon.

'Moby Dick,' or The Whale

Public attitudes towards and the slave trade began to shift, and the early years of the nineteenth century saw greater prospects for abolition. Wilberforce continued with his work after 1807. Other campaigns Although most remembered for his work towards the abolition of slavery, Wilberforce was also concerned with other matters of social reform.

Mission Frontiers

History Wilbur joined the server in April after begging on an episode of Soothouse.

William Wilberforce

Shot himself in the head at his home, but left no suicide note. The building now houses the administrative centre of the university. Wilberforce published his Appeal to the Religion, Justice and Humanity of the Inhabitants of the British Empire in Behalf of the Negro Slaves in the West Indies in early 1823.
