The physico-theology of the eighteenth century and the popularity of Gilbert White and the like survived the squeezing of natural theology by Paley. In Answer to Mr Hobbs, Spinoza, the Author of the Oracles of Reason, and Other Deniers of Natural and Revealed Religion.

Olde Geologist Books

This first book-length study of physico-theology questions the widespread notion of a steadily advancing early modern separation of religion and consumersnewhomeconstruction. A Demonstration of the Being and Attributes of God And Other Writings Cambridge Texts in the History of Philosophy , Previous page of related Sponsored Products. The text pages are fresh, clean and bright, as are the text plates.
