### Mission & History

Marine biological studies at the University of Hawai'i have a long history of excellent research and graduate training in highly competitive programs like Botany, Microbiology, Oceanography, and Zoology. To comply with Data Protection Regulations, we have a duty to tell you how we store the information we collect and how it is used. He was a Peace Corps Volunteer and Trainer in Samoa from 1970-1976, and founded the Samoan language program at the University of Hawaii in 1976.

### The Contemporary Pacific: A Journal of Island Affairs

After completing my BA in anthropology at Indiana University in 1961, I selected the University of Oregon for graduate studies. In the same year and for the first time in its history, PIP was provided with permanent office space in Moore Hall, where it remains today.

### ScholarSpace at University of Hawaii at Manoa: The Avian History Reports

Federal support followed the initiatives from the private sector. This entry was posted in on by. In the summer of 1969, I returned to the Marshalls for more fieldwork with the Bikinians Kiste 1974 , but keeping in touch with developments in the Pacific was not easy in the northern climes of the American Midwest.

Menlo Park, CA: Cummings Publishing

### Mission & History

Mason, Meller, and Oliver were involved, and the list of participants included many of the most distinguished figures in Pacific anthropology and linguistics.

## **Instructors**

Oliver thought that theories have a limited shelf-life and that they come and go with time, and both in print and conversation he emphasized the importance of solid description. Also in 1950 and almost two decades after the initial Carnegie grant to the university, the Pacific Islands Studies Program referred to at different times as PIP or PISP was approved, utilizing courses and instructors already available in several departments. Students will be prepared to function successfully in a chosen profession as individuals who are equipped for problem-solving and shared decision-making through open communication in the contemporary global environment.

### **The Contemporary Pacific: A Journal of Island Affairs**

The curriculum of the Hawaiian Studies Program teaches kuleana stewardship for ka ‘āina the land , through utilizing our beloved Kahuola and its lo‘i taro patch.

### **ScholarSpace at University of Hawaii at Manoa: History of the Trust Territory of the Pacific Islands: Proceedings of the Ninth Annual Pacific Islands Conference**

They came from quite different backgrounds and differed in personal style and many of their professional interests. A number of the CIMA researchers went on to have productive university careers, and they taught many of the next generation of American anthropologists.
