New York: Free Press, c2001. I jumped on a plane to Tangier where he and his partner of forty years, Paul Danquah—a former presenter of Play School—happily answered a series of questions including Burgess's sexual preference in a homosexual relationship. In private circles, many rumours abounded: the pair had been kidnapped by the Russians, or by the Americans, or were replicating the flight of to Scotland in 1941 in an unofficial peace mission.

final days in Britain and a man whom Burgess had tried to seduce on the boat to America in 1950. Orphans of the Cold War: America and the Tibetan struggle for survival. It is of course chiefly the Philby-Burgess-Maclean story filled out and updated; and, titled *The Climate of Treason* in England, it dwells at great and, to most Americans, obscure length on their belonging to a particular Cambridge--even Trinity College, Cambridge--generation, as if that accounted for their treachery.

Philby wrote that the Basque city of Guernica was probably razed by the Basques themselves rather than by Nazi aircraft. He met with Maclean several times; according to Burgess's 1956 account to Driborg, the question of defection to Moscow was not raised until their third meeting, when Maclean said he was going and requested Burgess's help.
