Militarization, Democracy, and Development: The Perils of Praetorianism in Latin America

For Molina, after 1930—40 the historians made a new evaluation of the colonial legacy—the social-democratic version—adopting the essential elements of the liberal version, but accentuating the economic and social equality. The second part of the national myth is economic and structural and is highly intertwined with the cultural exceptionalism explained above. A much longer version of Chapter 3 was published in the Journal of Peace Research.

Visual Communication Resources

On the one hand, some scholars seek nomothetic or universal explanation. The underdeveloped society adds a new dimension: the good soldier is also to some degree a modernized man.

Visual Communication Resources

If militarization has an unambiguous negative effect on democracy, equity, and growth in Latin America, then civil society, politicians, business, and

other domestic actors should make every effort to demilitarize the countries of the region.

Agriculture Extension and Communication ver1.2

This is the combination method described by Ragin 1987, chapter 5 and praised by King, Keohane, and Verba 1994, 5. Although certainly not the most brutal military injustice of the period, I was strongly affected by the horrors of forced conscription. In contrast, using the mean average democracy scores over the 1973—86 period treats Mexico and Argentina as roughly similar cases.

Agriculture Extension and Communication ver1.2

Pastor asserts that on balance, U. The militaries of Israel, Mali, and Chile are different in important ways that are not captured by size measures.

Current Agriculture: The importance of communication in Agricultural Extension Service

And Costa Ricans believed that they were exceptional and democratic and middle class. A national investment bank for state investment was also proposed.
