The 2007

The study also does not consider short-term cyclicalities that might affect realized sales. The study, therefore, is strategic in nature, taking an aggregate and long-run view, irrespective of the players or products involved.

The 2007

These comparative benchmarks allow the reader to quickly gauge a city vis-À-vis others. This report does not discuss the specific players in the market serving the latent demand, nor specific details at the product level.

The 2007

Using econometric models which project fundamental economic dynamics within each prefecture and city, latent demand estimates are created for railroad passenger services.

The 2007

This study covers the latent demand
