Eight ways to cope when your child gets divorced

For some reason, many fathers are behaving in a way that is not in their best interest or the best interest of their children. Best Interest of the Child Standard All states have statutes requiring that the child's best interests be considered whenever specific types of decisions are made regarding a child's custody or placement.

Things to ask for in a divorce settlement agreement

For example, children spend significantly more nights with their mother than their father. Twenty years on from my parents' divorce, the fact that I find it easier to empathise with Chris than with Peter's teenage anger is one sign that my dad and I managed to repair our relationship.

Being a child of divorce was hard; it was a challenge I can look back on as an adult to acknowledge as one that was often too much for me to bear. The data sample consisted of parents of 102,353 children and teens in all 50 states and the District of Columbia. So we are not going to live together anymore, but we are still your parents and we love you so much.
