But driving change also requires a comprehensive approach that penetrates to the lowest echelons and is resilient to the negative influence of leaders displaying counterproductive leadership; in other words, those who refuse to implement, let alone embrace, culture change. Years of resentment over the Cultural Revolution, the public persecution of Deng Xiaoping seen as Zhou's ally , and the prohibition against public mourning led to a rise in popular discontent against Mao and the Gang of Four.

Operationalizing Culture Addressing the Army's People Crisis

In 1992, presidential candidate Bill Clinton advocated a policy change that would allow homosexuals to serve openly in the military. The software must be designed to allow backward compatibility with CE data. REFERENCES: 1: Adelgren, Russell, et al.
