The move has transformed Bentonville into a premiere destination for recreational cyclists everywhere. It also provides 15 easy-to-use worksheets and forms to help you prepare, implement, and communicate your VIP plan to your community. In addition the Game Plan reflects additional input from staff and stakeholders, shared through the Healthy City Roundtable, stakeholder meetings, staff focus and working groups, and the Game Plan Task Force.

Parks & Recreation Action Plan

In November 2007, the adopted a Parks and Recreation Action Plan that had been drafted by a group of residents known as the Citizens Committee for Park Progress. This Plan was approved by the Parks Action Plan Update Committee, the , and finally by the City Council via. It should be the basis for all tasks that are conducted in this effort.

Parks & Recreation Action Plan

Having a great park and recreation system is the hallmark of a vibrant community, a trait which is witnessed daily by citizens in municipalities across the country. The additional tax funds, combined with existing city general funding, will create new opportunities to realize Game Plan goals in areas like land acquisition, maintenance, new construction of parks and trails, and natural restoration.

The Community Center Strategic Plan lays the foundation for both operational and facility decision-making for the community center system in the future. Documenting the interests of your most important citizen stakeholders will lay the groundwork for building a plan that will elevate your parks and recreation assets and create the public and political will to fund the project in the future.
