## 45 Jaw

Everything hooks easily together with paper clips and contact paper. I could only do an accordion shade that would stay. A simple dowel rod slips easily through a pocket at the top for easy installation and maintenance.

## 24 Best DIY Curtain Ideas that will Make any Room Pop in 2021

Decorated ceilings, our interior sky is attention to detail at its best, creating drama in the dining room or a calm, restful environment in the bedroom. Not what I wanted to hear, but onto the next idea... Plantation Shutters My next idea was to do plantation shutters. Does your front room need a facelift? Add a few lines of ruffles for a brand new look.

But, I still thought maybe I could do a rod over the arch and I would have curtains that skimmed the top of the window seat. They also discouraged me from doing an outside mount roman shade because it would be bulky and there would be lots of light seepage on the side.

## 35+ Best DIY Window Treatment Ideas and Desings for 2021

Color blocks hanging from a simple tension rod make this project perfect for an apartment dweller or someone on a tight budget. These aggressive plants choke out the garden plants you've worked so hard to grow. This easy project requires no sewing, yet you achieve the look of a high-end Roman shade.
