Rabindra Nritya Natya

Luckily I got the chance to work in the restoration of Patan Museum where I learned a lot about Nepali Architecture.

Rabindra Nritya Natya

The Rabindra Nritya Natya dance form is prevalently famous in the state of West Bengal, to be more specific in the city of Shantiniketan in the Birbhum district. Sen began her presentation with a mangalacharan'. The workshop, inaugurated by danseuse Sucheta Chapekar, was divided into two sessions.

Rabindra Nritya Natya, sangeet, chandalika, chirangada, shyama

She also performed a theermanam' and a padam' on Krishna Nee Begane Baro.

Introduction

The Rabindra Nritya Natya is the collage of Tagore's different drama plays that are specifically built for dance and song with no prose dialogues. This is the most recent dance form in the set of traditional classical Indian dances. But still I decided to listen to the voice of my heart.
