The 8-1 majority reasoned that high schools were indistinguishable from universities for purposes of equal access to public facilities. Two bills now in the California legislature would dramatically reduce this exemption. Sioux Falls School District 8th U.

## **Christianity's American Decline — Strategic Culture**

Yet if a Christian organization is compromising with sin, it is not living in obedience to God, and thus is not a Christian organization. But he said that there is hope that the coercive policies of the Left can be defeated.

## **Multiple Choice 1**

We are in a fight for our religious lives. In *Rosenberger*, the Supreme Court held 5-4 that the Free Speech Clause of the First Amendment required a state university to grant the same printing subsidy to an evangelical journal that it made available to all other student journals.

Assurances of Codified Protection Drafters of school choice legislation attempt to convince patrons that laws can be crafted with appropriate language to assure complete autonomy that protect private schools. As a citizen of Oklahoma, I confess and repent for the influences we have allowed in our classrooms, libraries and other venues, that promote the destruction of values that are consistent with Your character, Lord. For instance, in Parents for Privacy v.

Rather, they are young adults who had been terribly failed by family, church, and the other institutions that formed—or rather, failed to form—their consciences and their imaginations. They encourage but rarely convict. Many of us assume that Christian day schools foster a strict and conservative environment that is very different from the rest of the United States.

**God's schools : choice and compromise in American society : Wagner, Melinda Bollar, 1948**

You see where I'm going with this: the true church that Christ built cannot remain passive or silent about sin. Circuit Court of Appeals in 2010 reversed the district court decision, ruling that the recitation of the pledge did not constitute an establishment of religion.
