While there are some basics you need to learn to keep your bonsai flourishing, it's not nearly as difficult as most believe. The NLP Neuro-Linguistic Programming approach to learning is utterly simple; it makes you aware of your brain's particular working style and teaches you how to update it for more efficient use. Whether growing, shaping, repotting, trimming, or watering, it's all here! Good job I have someone who is interested to take the second copy.

Accelerated Learning Techniques: 2 Manuscripts

We break it down to a level almost anyone can apply to his or her unique circumstances.
