Business and Society: A Reader in the History, Sociology, and Ethics of Business by Barry Castro

That is why they beta test their products before launching a product.

Business and Society: A Reader in the History, Sociology, and Ethics of Business by Barry Castro

A business must also perform other duties such as distributing fair wages, providing good working conditions, not exploiting the workers, encouraging competition, etc. Morality is often finding the best choice overall, taking into consideration the result, economics, and technical e. California regulators had allowed his business entity, but federal agencies had not approved it.

R. Edward Freeman (ed.), Business Ethics: The State of the Art

An unethical employee can drive entire company in legal trouble, or it can destroy the hard-earned reputation. Performance cannot just be a matter of the firm's own discretion. Such abuse can result from disloyalty.

The Moral Background

Sharing trade secrets and obeying confidentiality information is a difficult moral issue.
