The World Bank and financing higher education in Sub

There are views that support new governance frameworks that include new alliances and forms of cooperation between economic enterprise, public authority and knowledge institutions. Government residual powers in management still remain a threat to real governance autonomy, while faculty and students are more often overlooked on issues of policy and institutional governance yet they are important stakeholders.

Sub

Unit Cost of Public Education by Levels. Unsustainable external indebtedness has diverted scarce resources away from priority social needs.

[PDF] Affording the unaffordable : Planning and financing sustainable education systems in Sub

The fact is that African universities currently function in very difficult circumstances, both in terms of the social, economic, and political problems facing the continent and in the context of globalization, and the road to future success will not be an easy one.

The Political Practice of Peacekeeping: How Strategies for Peace Operations are Developed and Implemented

Interview with the Vice Chancellor of the University of Sierra Leone, in We Yoni. Teachers are often underpaid and underqualified and rarely receive the support and supervision they need to do an effective job.

Inter

World Bank staff working paper.
