A History of Magic, Witchcraft and Occultism by W.B. Crow

The perfect introduction to magic and the occult, it explores forms of divination from astrology and palmistry to the Tarot and runestones, mystical plants and potions such as mandrake, the presence of witchcraft in literature from Shakespeare's Macbeth to the Harry Potter series, and the ways in which magic has interacted with mainstream religions. The illustrations are interesting, and the tidbits of information are fascinating. It was so hard to move on, so i had to reach out for help.
