IRBM was established in accordance with the Inland Revenue Board of Malaysia Act 1995 to give it more autonomy especially in financial and personnel management as well as to improve the quality and effectiveness of tax administration. This document can be used to draft a letter to the Tax Office when requesting to seek a tax refund due to the cessation of a business or dissolution of an entity that overpaid its taxes.

## **Business License Matters**

There are many tangible benefits to the community that property owners would not normally have the means or ability to secure individually. How to Tailor the Document for Your Need? This page is also available in: Inland Revenue Board of Malaysia IRBM — Income Tax Department On the 1 st of March, 1996, the Inland Revenue Depart of Malaysia became the Inland Revenue Board of Malaysia IRBM which is now what it is formally known as today. The sender is writing to request a tax refund due to the cessation of business or dissolution of an entity that overpaid taxes.

## **Tax Laws**

The taxes upon which need to be collected by the agency include income tax, petroleum income tax, stamp duties, real property gains tax, estate duties and other taxes which may be agreed upon by the government of the board.

## **Inland Revenue Definition**

Once the Inland Revenue was established, it handled the collection of taxes, including income and , , , and stamp duty. This prorate basis is not applicable on renew business licenses. First-time property owners should pay particular attention to this provision, as they are also required to inform the Valuation Division of their ownership of property.

## **Letter to Tax Office / Inland Revenue Department**

The Ministry of Finance, better known by its abbreviation MOF, is the governing body which is responsible for all government expenditure and revenue raising. HMRC seeks to maximize revenues, and one of the ways it accomplishes this objective is by cracking down on. Send us a

message using myIR To keep your personal information safe we avoid using email.

### **Inland Revenue**

The department takes this opportunity to advise all individuals that the due date for filing of the Individual Income Tax Returns is February 28th, 2012. The benefit most measurable in monetary terms is the increase in value of properties arising from the circumstances enjoyed and the improvement which property owners, themselves, make in expectation that these conditions will continue. How to use this Document? FIRS has since witnessed organisational restructuring, the enactment of a National Tax Policy, improved funding, legislation, stronger taxpayer education, dispute resolution mechanism, taxpayer registration and the introduction of the Taxpayer Identification Number TIN , human capacity building, automation of key process, refund mechanism, attention to Double Taxation Agreements DTA and the automation of the operations of the service.
