French Senate, Paris, France — Google Arts & Culture

Six Vice-Presidents are also elected by members of the National Assembly, who one by one presides over the meetings in the absence of the President. In that month, the term was reduced to six years, while — to reflect a growth in the country's population — the number of senators was set to increase progressively, to reach 348 by 2011. Being an elector has the same conditions as being a Senator, except that the minimum age is 24 years.
