The Gambler by Fyodor Dostoevsky, First Edition

Her defenders claim she fell under Ian Brady's spell, but is this the truth? Manic in his behavior, he alternates between near catatonia and frantic action, one moment huddled on the couch in his flat, the next marching down to the police station to bait, and be baited. He invited himself to a party organized by former schoolmates who don't want to social with him and he acts in such an anti-social manner that he just embarrasses himself.

The Gambler by Fyodor Dostoevsky, First Edition

In a kaleidoscope of bleakness and madness, hope gets a real asskicking. Let us assume that man dose nothing but search for this twice-two-makes-four, sails across oceans and sacrifices his life in this search; but to succeed in his quest, really to find what he is looking for, he is afraid — yes, he really seems to be afraid of it. The is one of the symbols in the novel and represents all the barriers of the that stand against man and his freedom.

Crime And Punishment; The Gambler; Notes From The Underground by Fyodor Dostoyevsky

Which all goes to show that the axiom of 'write what you know' is very, very true. The writing used to set this scene and to take us within the turmoil of Raskolinkov's psychological debate within himself as he worked up the courage to commit the crime was both beautiful and genius.

Notes from the Underground & The Gambler by Fyodor Dostoevsky

Either way, it appears to me that Dostoyevsky's novels serve as the means by which the psychological connection to suffering and pain can be discussed.

The Gambler AND Notes from Underground (in one volume) by Dostoyevsky, Fyodor

Dostoyevsky was no hack; he knew exactly what he was doing. That aspect of his writing was a big part of what kept me interested and the way he wrote was not per say as fluid as Shakespeare or Scott Fitzgerald but it had its own sophisticated Virtuosity to it which added a lot to they story.

Notes from the Underground, and The Gambler

But at the same time that's what makes it so fascinating. No, I believe my fanboy-dom was not a public lie, it was more a self lie. If Liza was supposed to be a kind of Christ figure, I guess I can see that, because she loved him and understood his pain.

Notes from the Underground & The Gambler by Fyodor Dostoyevsky

There are other writers, too, whom I consider foundational to my being. . Many of Russia's intellectuals were engaged in a debate with the on one hand, and the on the other, concerned with favoring importation of Western reforms or promoting pan-Slavic traditions to address Russia's particular social reality.
