Modern Portfolio Theory (MPT)

If you can afford it, I would heartily recommend it. State and know most elements of the proofs for certain standard theorems in Graph Theory.

Connectivity (graph theory)

Based on statistical measures such as and , an individual investment's performance is less important than how it impacts the entire portfolio. Step 2 4 : For each vertex leading to NB, we find the distance to the end.

graph theory

In each case fascinating historical and biographical information about the author's research is provided. Euler argued that no such path exists. The subject of theory had
