Unfortunately, there is also a constant threat of viruses and other issues, especially for those who use their computer to go online. Note: For information about this topic in Windows 10, see. Chapter 19: Your Computer's Hands, Eyes, and Ears.

### Fix Your Own PC [With CDROM] by Corey Sandler

He's written about technology for over a decade and was a PCWorld columnist for two years. In the four months since I've purchased it, it's proven to be an invaluable reference.

### How to refresh, reset, or restore your PC

People of all ages and experience levels have computers they rely on for entertainment, banking, connecting with others, and more.

### Fix Your Own PC book by Corey Sandler

Instead of paying for a pricy malware removal or computer tune-up, you can do it yourself. Chapter 4: Driving the Computer Bus.

### Fix Your Own PC

Most comprehensive book on the topic: The seventh edition will update all the existing information plus add an additional section covering the hardware side of home and office networks, including NICs, hubs, switches, routers, and wireless networking devices. This is generally cheaper than building a new computer — you can get better hardware and choose exactly the hardware you want.
