Urban Dictionary: Chill

The pallor and coldness of a chill, and the
 of the skin goose flesh that often
 accompanies it, are caused by constriction
 of the peripheral blood vessels.

Urban Dictionary: Chill

AccuRadio requires Adobe Flash to
 provide you with the best experience. A
 sensation of coldness often accompanied
 by shivering, chattering of teeth,
 goosebumps—gooseflesh, and skin pallor,

Filesize: 44.69 MB

which may follow exposure to a cold, damp environment, or precede or occur at the same time as a cold; chills are a response to an abrupt disparity between the set point of the hypothalamic thermostat and the blood temperature chill chil.

Chill Foundation

Flash either isn't installed on your system, or we ran into a problem loading the software that plays AccuRadio channels. In addition to this the patient's temperature should be taken every 30 minutes until it is stabilized.

Chill Low Glycemic Organic Soda

But now that her soul was laid open to me, now that I was compelled to share the privacy of her motives, to follow all the petty devices that preceded her words and acts, she found herself powerless with me, except to produce in me the chill shudder of repulsion--powerless, because I could be acted on by no lever within her reach.

CHILL

Don't forget to re-enable it! Since the patient will most likely begin to have a sharp rise in body temperature immediately after or during the chill, it is best to use only a light blanket to alleviate the sensation of cold.

Chill Music

A true chill, or rigor, results from an increase in chemical activity within the body and usually ushers in a considerable rise in body temperature. Chills are symptomatic of a wide variety of diseases.
