QAnon and the End of the American Century

Burns gave Holbrooke his view: This was no war of ancient hatreds in which all sides were equally guilty.

The End of the American Century

Yet the actual events of the American Century belie any such claim. To make toast, we held the bread over a coal fire. It stirred among Slovenes, who considered themselves more Austrian than Slav, and among Croats, whose leader, Tudjman, a retired general, seemed to style himself after Francisco Franco—pompous, racist, entertaining fantasies of glory for his people and himself.

The American Century Ends Early

But then, how do you maintain a global empire when the domestic economy that is supposed to underpin the enterprise has been gutted by global capitalism? Democratic enlargement replaced containment as the foreign policy of the new era. Government officials envisioned the same exceptional rise to power.

The American Century

As someone who teaches both history and international relations, I have one foot in each camp. Ethnic politics produces rampant corruption that chokes the economy and stunts social change.
