Immigration Reform and Control Act of 1986 (1986; 99th Congress S. 1200)

May 16, 2018 CDC released information about a new rapid rabies test that could save lives and lead to fewer unnecessary rabies shots. The second and third documents are e-mails between North and Poindexter.

Evaluation reports

All cases had received vaccine produced by Cutter Laboratories.

Excerpts From the Iran

Proof of President Reagan's authorization or knowledge of North's illegal activities, beyond a reasonable doubt, would have required more than

the nonspecific testimony that McFarlane and Poindexter were willing to give and that the few surviving documents would establish. February 28, 2014 CDC published ACIP recommendations for prevention and control of *Haemophilus influenzae* type b Hib disease. Harness, relating primarily to the American Bond and Mortgage Company cases, 1925-30.
