So you would use the past simple.

## The Most Common Mistakes in English Usage

I think they were going to stay. WHAT are you going to store? They used to teach it in school.

### Common Grammar Mistakes

People feel that it's not the order of the words but the tone a slight rise at the end, which marks the difference between a statement and a question. If you can pick out a few pieces of improper writing, you're already half-way there. If you make a few common mistakes, you can certainly correct those mistakes.

### 15 Common Grammar Mistakes To Avoid In Your Writing

Farther and further A tricky difference that many native speakers get wrong. When you form a plural for nouns, there is no need whatsoever to add an apostrophe. In other words, when people speak quickly they run the words together and the form 'would have' SOUNDS like 'would of'.
